

## SPONSOR OPPORTUNITIES 2023

77 – the number of Pennsylvania EMS Providers known to have died in service to others.

The ***Pennsylvania EMS Provider Foundation*** honors their legacy by providing scholarships in support of paramedic training so that others may serve in the profession they so deeply loved. You can help ensure their sacrifice is not forgotten and give an aspiring EMS professional the opportunity to carry on in the tradition of our lost colleagues.

The Foundation provides the families of those lost in the line of duty with financial grants to help ease some of their burden. You can help ensure their loved ones are supported during this difficult time.

The ***Pennsylvania EMS Memorial Bike Ride*** and ***Stars of Life Awards Banquet***, held collectively each year in early September, are the primary fundraiser for the Foundation. As a friend of EMS through personal or business relationships, we hope you can help. Please review the following options and consider the level of support that best fits your desire and ability.
