## Scholarships

Since 2007, the Foundation awarded over \$50,000 in scholarships in support of EMT's becoming Paramedics.

Improving the number of Paramedics is critical to the success of EMS in the Commonwealth.

## Events

The Foundation hosts two fundraising events annually.

- PA EMS Memorial Bike Ride
- Stars of Life Awards Banquet

## Provider Support\*

The Foundation shares the concern about the emotional toll EMS can impact on our providers. We endeavor with others to improve the welfare of our colleagues.

## Family Support\*

Over 60 PA EMS providers lost their lives in service to others. While we strive to eliminate tragedy, should a family ever be in need, we desire to be ready to help.

\* These programs remain on hold due to insufficient funding. Can we count on you to help grow the Foundation?

## Donate (Pick One, Some or All)

*Thank you!*

*I loved helping people for 20+ years as an EMT, but I longed to do more as a Paramedic. The cost of the program was prohibitive. With this scholarship, I was able to pursue my dream. I am forever grateful for the opportunity provided by the Foundation.*
